

Journal of Science and Mathematics Letters (JSML)

ABOUT JOURNAL

The **Journal of Science and Mathematics Letters (J. Sci. Math. Lett.)** [ISSN 2462-2052 / eISSN 2600-8718] is a peer-reviewed journal published by the Faculty of Science and Mathematics, **Universiti Pendidikan Sultan Idris**. It aims to publish significant contributions in the fields of **Applied Biology, Chemistry, Physics and Mathematics, as well as Education**.

Previously known as the Journal of Science and Mathematics Universiti Pendidikan Sultan Idris (ISSN 1985-7918), the journal published its first volume in 2009.

J. Sci. Math. Lett. accepts **Research Articles, Review Articles and Short Communications** written in **English**. Every submission undergoes a double-blind peer review process and is evaluated by independent editors from the editorial board.

Since 2020, J. Sci. Math. Lett. has been **published twice a year, in January and June**. Accepted articles are published as soon as possible on the journal's website.

The journal publishes high quality research articles in the following areas:

1. **Applied Biology**
 - Biotechnology and molecular biology
 - Environmental and ecological studies
 - Microbiology and biochemistry
 - Pharmacology and biomedical sciences
2. **Applied Chemistry**
 - Organic, inorganic, and physical chemistry
 - Analytical and computational chemistry
 - Materials science and nanotechnology
 - Pharmaceutical chemistry and natural products
3. **Applied Physics**
 - Theoretical and experimental physics
 - Condensed matter and materials physics
 - Optical and laser physics
 - Energy and applied physics
4. **Applied Mathematics**
 - Pure and applied mathematics
 - Computational and statistical methods
 - Mathematical modeling and simulations
 - Data science and artificial intelligence applications
5. **Education**
 - Teaching and learning methodologies
 - Curriculum development and pedagogy
 - Assessment and evaluation in STEM education
 - The integration of technology in science and mathematics education

AUTHOR GUIDLINES

- The journal welcomes original research articles, review papers, and short communications in Applied Biology, Chemistry, Physics, and Mathematics, as well as education-related topics within these disciplines.
- The journal accepts articles only in English.
- Authors must use the JSML template provided on the website. <https://ejournal.upsi.edu.my/index.php/JSML/index>
- Each submitted article must include affiliations from at least TWO different countries other than Malaysia.
- Only one article per author/corresponding author is accepted.
- The publication process will begin upon receipt of payment, with the article expected to be published in Volume 14, Issue 2 (June 2026).

PUBLICATION FEE

- A publication fee of RM 1,000 applies to each accepted article.

SUBMISSION

- All article submissions must be made exclusively through **the Article Submission Section provided on i-CASE 2025 website**. Submissions sent via email or any other platform will not be accepted.
- The editor will contact you via email if your paper is selected for further review.
